## Early Childhood Health Assessment Record

(For children ages birth – 5)

**To Parent or Guardian:** In order to provide the best experience, early childhood providers must understand your child’s health needs. This form requests information from you (Part I) which will be helpful to the health care provider when he or she completes the health evaluation (Part II). State law requires complete primary immunizations and a health assessment by a physician, an advanced practice registered nurse, a physician assistant, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to entering an early childhood program in Connecticut.
